

## Register Your Kroger Plus Card to Help St. Anthony Parish!

Starting May 1, Kroger will use your Kroger Plus Card to track your purchases in order to determine St. Anthony's share of Kroger's contribution to local charities. If you don't have a Kroger Plus Card, please go in to your local Kroger store to obtain one. The Kroger Plus Card makes it possible for you to receive sale prices on certain items and earn fuel points.

If you already have a Kroger Plus Card, you will need to enroll or register it in Kroger's Community Rewards program. This must be done on-line. If you already have an on-line account at Kroger, you can simply follow the directions in the next paragraph. If you haven't set up an on-line account yet, please follow these instructions. First, go to [www.kroger.com](http://www.kroger.com) and click on the "Create An Account" button at the top right of the page. Simply complete the required information in each step. You will be asked for: an e-mail address and password, your zip code or city/state, and which of their communications you wish to receive. Then you will be asked to confirm your information. An e-mail will be sent to you and you must click on the link it provides in order to complete the activation process for your on-line Kroger account. Once you've successfully created this account, you can then enroll your Kroger Plus Card in the Kroger Community Rewards program by following the instructions below. Call Customer Service at 1-800-576-4377 with any questions on the on-line account process.

Once you have both a Kroger Plus Card and an on-line account, go to [www.krogercommunityrewards.com](http://www.krogercommunityrewards.com) to register your card and select St. Anthony as the charity your purchases will support. The first thing you'll do is select your city. Click on Cincinnati as it includes Dayton. Then, click the button to enroll as a participant. Next, you'll be asked to find your organization. Enter our number, 80211. Then, click St. Anthony of Padua Church, Dayton, OH. Next, click the "Save Changes Button" and you should be done. If you have any questions about this process, call 1-800-294-4438.

Because Kroger is changing the name and workings of its donation program to local non-profit organizations, they will no longer use the re-loadable gift cards. Any money you have on your re-loadable card will not be lost but there is no longer a reason to put money on it.

If you don't have a computer or e-mail address but do have a Kroger Plus Card that you'd like registered to St. Anthony, please call Angie McGraw at 253-6251 for assistance.

Whether you participated in Kroger's old program or not, you can help St. Anthony by registering and then using your Kroger Plus Card every time you shop at Kroger! We appreciate your kind support!
