

Putting Love into Action

Updates from Catholic Social Services of the Miami Valley (CSSMV)

November is National Gratitude Month

In celebration of National Gratitude Month, we would like to show gratitude to our donors, volunteers, and own staff members who work tirelessly to ensure that we are able to provide services to the most vulnerable in our community. A special thank you to our staff in our Northern Counties Office. Each year at the Staff Christmas Party, baked goods made by staff are donated and then auctioned off. Staff members can bid on their favorite treats to take home for the holidays. This has become a favorite tradition amongst the staff, and the best part of it all is that, by participating, staff are raising money to support a local family in need! We are in awe of the support we have received from our communities each year, continuously showing up to support the most vulnerable. Keep sharing your love in action! We would not be able to do the work we do without you!

"Let us ask the Lord for the gift of understanding where our life is stuck. Let us try to give voice to our desire to be healed"
